6PI-014 Rev 0; 6 Pocket™ Recreational Competition Score Sheet

Purpose

The purpose of this document is to define and provide a template for the 6 Pocket™ Recreational Competition Score Sheet. This score sheet is to be distributed with a variety of 6 Pocket, Inc., 6 POCKET welcome and game kits.

The score sheet is printed single sided with a finished (trimmed) dimension of 5” x 6.25” on regular white paper, in full color. The score sheet is “padded” on the 5” edge using gum/glue with a chip (cardboard) backer.

To record your scores and/or reorder these score sheets go to www.6pocket.com

INSTRUCTIONS

1. Write the competitors' initials and Level Play™ Handicaps in the spaces provided.
2. Record the total number of Penalty Points, if any, and the Rack-Score (total legally pocketed balls) per competitor, per turn.
3. Calculate and record the Turn-Score (Handicap – Penalty Points + Rack-Score).
4. Calculate the Game Total (Turn-Score + Penalty Points) for each competitor.
5. Total the Turn-Scores for the Game Total and assign the Rankings (1- 5, highest to lowest Game Total). If there is a tie between 2 or more players, play a tiebreaker turn!
